Give Your Cows What They Like to Eat

"Since switching to Kingshay Grass Seed, every paddock is a preferred paddock and the cows' heads go straight down to graze!"

David Helliar, Wiltshire

Save Money & Reduce Waste with High QUALITY Mixtures

Unlike many suppliers we are not aligned to a specific grass seed breeding company, allowing us to select only the best varieties to help improve your output from forage from both grazing and silage swards.

Kingshay supply a wide range of seed mixtures to suit your enterprise.

Choose from:

- Preferred Grazing Mixes
- Mixes for Silaging
- Short term, IRG, Hybrid & Red clover
- Organic Seeds

Kingshay Members can benefit from discounted rates — see order form

PLUS.. a further discount of 5% applies to large orders over 25 acres
